RE: Interim Measures Work plan for
AOC 626, Area at Former Charleston
Naval Supply Center Fuel Farm.
Received September 17, 1996
Charleston Naval Shipyard
SCO 170 022 560

Dear LCDR Rose:

The South Carolina Department of Health and Environmental Control (Department) and the Environmental Protection Agency (EPA) have received and reviewed the above referenced document in accordance with State and Federal Regulations and the Charleston Naval Shipyard's Hazardous Waste Permit SCO 170 022 560. The Department and EPA generated no comments on the proposed Work plan.

Based on the above and by virtue of this letter the Department approves the Work plan for implementation. The confirmatory sampling proposed in the Work plan will have to demonstrate that the area has reached an acceptable cleanup level.

If you have any questions please contact Johnny Tapia at (803)896-4179 or Paul Bergstrand at (803)896-4016.

Sincerely,

John T. Litton, P.E., Section Manager
